

# Saint George's Church of England Primary Phase Weekly Newsletter

Term 6 – Week 6

Friday, 14<sup>th</sup> July 2023

Dear Families

Your children will be bringing home their end of year academic reports today. I hope you enjoy reading them and sharing them with your child. They really do celebrate the progress and success your children have made this year. Please make sure you send the comment slip back into school, we really do value your feedback.

Also included with the report is a letter outlining classes and teaching staff for next academic year. All other staff including teaching assistants will be shared with you in next week's newsletter. The children are looking forward to meeting their new teachers on Monday and will be spending the morning with them in their new classrooms. Don't forget that after school on Monday, there is an opportunity for you to meet your child's new teacher, straight after school at 3.20pm in their classrooms. Our new year five class will be on the opposite side of the school, the final classroom on the left as you walk past the scooter park.

Last year we had great feedback from you regarding our successes for the year and along with any wishes or improvements for us as a school. Please send back the hearts and wishes included with your child's report, so that we can celebrate successes and think about how we can improve as well. These are also included in your pack with your report.

Have a lovely weekend and we look forward to our last week in school next week, where we will be celebrating all our successes from this year!

Wishing you all a lovely weekend!

Mrs Taylor

## ATTENDANCE THIS WEEK

**A HUGE well done to Owls!**

**Attendance Ted will be visiting you next week!**

Hedgehogs	98.39%
Badgers	96%
Squirrels	98.57%
Owls	98.99%
Foxes	98.06%

WHAT'S THE BEST DAY TO COME TO SCHOOL?  
**EVERY DAY!**

## For Information

### Request for Board Games!

If you have any board games that your children no longer play with and you don't know what to do with them - please drop them off at the school office and we will find them a good home!

### No nuts or nut products please!

Please do not send your children to school with any nuts or snacks and treats that contain nuts. We have several children with severe nut allergies and exposure to any foods containing nuts could put them in danger. Please pay particular attention to chocolate spreads and chocolate filled biscuits, as these often contain hazelnut.

If we find any food containing nuts in packed lunches, we will remove them immediately and notify parents that we have done so.

### No Climbing on Walls

DO NOT CLIMB

Please can we remind parents to stop their children from climbing on the walls around the school, particularly those near the recycling bins. The walls are high and narrow and often slippery, which could result in a nasty accident!

# Year R Porridge Making!

Our Hedgehogs had fun making and tasting porridge yesterday.

As you can see from the happy faces, the porridge got the thumbs up!

# 30 Minutes of No lessons for Cancer Research

CANCER  
RESEARCH  
UK

Thank you for supporting our 30 minutes of no lessons on Monday.

The children enjoyed extra time on the trim trail, painting, bubbles and two classes chose to watch a movie!

We raised a fantastic £98.88 on Monday morning! After receiving several requests, we decided to bring out the collection buckets again today and we will let you know the final total raised next week!

# School Values Awards

Who has been demonstrating our school values this week?

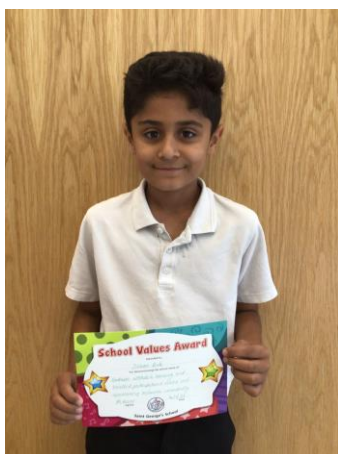

**Harrison** for showing *inclusion* by taking turns and including others in his games!
