

Our Learning  
15/09/23  
Hedgehog Class  
Ladybird Class

**PE: THURSDAY.** Wear your PE kit to school.  
**Open Door: TUESDAY.** Please pop in to look around your child's class. Please can we ask you to wait until we see the children out before you come in.  
**Forest School:** Hedgehogs is **MONDAY** morning  
Ladybirds is **FRIDAY** morning.

Please remember to sign up to **Tapestry** so that you can see pictures of your child's learning. Emails were sent home with log in details.

### What have we been learning this week?

The children have settled into life at St George's brilliantly. They have access to both Hedgehog and Ladybird classrooms and the outdoor area. We have our own toilets in the classroom which the children can access whenever they need to. This week the children have been making lots of new friends, exploring their new environment and getting to know their classroom teachers.

We have been looking at Nursery Rhymes this week. On Monday the children made their own Humpty Dumpty. On Tuesday we were weaving spider webs for Incy Wincy Spider and making playdough spiders. On Wednesday we had to help Mr Hickory Dickory Dock look for his little mouse Nibbles who live in the clock. We found lots of cheesy clues and managed to find the little mice who live in the clock. We made some junk model mouse traps to help Mr Hickory Dickory Dock get his mice back home without them escaping. We also decorated some biscuits to look like little mice which we then enjoyed eating! On Thursday we looked at Baa Baa Black Sheep. We enjoyed counting sheep and making our sheep from cotton wool. On Friday we made our own Twinkle Twinkle Little Star wands. We enjoyed star printing and catching stars. **Can your child sing you these nursery rhymes?**

As well as all of this the children have enjoyed building, drawing, painting, role play, digging, water and sand play, riding bikes, climbing, playdough, small world play and counting. It is a very busy day!

- Home Learning Challenge:** Can you.....
- 1) Use a knife and fork?
  - 2) Put on your coat by yourself and turn the sleeves in the right way?
  - 3) Wipe your own bottom?
  - 4) Use a cup without a lid?
