Term 4 – Week 6
Thursday, 30th March 2023

Dear Families,

We have reached the end of term four and what an incredible term we have had! The children have achieved so much, both academically and socially.

Thank you to all parents for supporting their children and our school, by supporting children with their learning and attending events such as class worship, open door, concerts and Mother's day tea. We really do value your support.

I hope you have a wonderful Easter holiday! We look forward to seeing you all on Monday 17th April, ready for the start of term five.

Best wishes, Helen Palmer

Saint George's Day Parade Workshop

On Monday the older year groups took part in an artist's workshop to create pennants for the children to hold during the Saint George's Day Parade on 21st April. The design is based on the English oak tree!

Year 3 and 4 Saxon Workshop

The Saxon era was really brought to life during Year 3 and 4's Hysterical Histories workshop. Not only did the children hear about the different customs and Rituals of the time, they got to re-enact them too!
